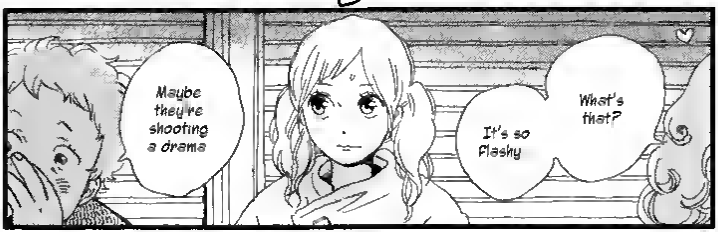
STUNNED
fidget fidget



Maybe they're shooting a drama
It's so flashy
What's that?

I was...
Wow, his face is small!
Is the man inside a model?
We're witnessing something amazing.

KTUNK

...too hung up on the sparkling sports car

to know what reaction I should make.

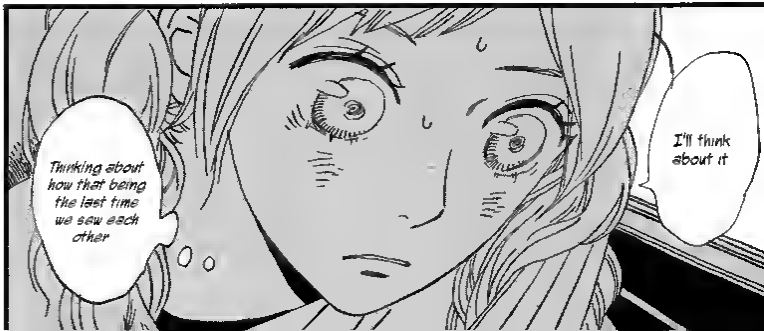
Good afternoon.
I'm puzzled.
Hello
.....
.....

Knitting Handicrafts Supplies
Is that all you're carrying?
Huh?
Should I bring more?
No
.....
"If we don't meet... one on one..."
"I think it's pointless"

Now, then.
slip
Shall we go?
CLICK

Shuuu
We're going where...?
I'll take you wherever you wish to go.
SLAM

"I haven't been okay since forever...
"because of you."



I'll think about it
Thinking about how that being the last time we saw each other

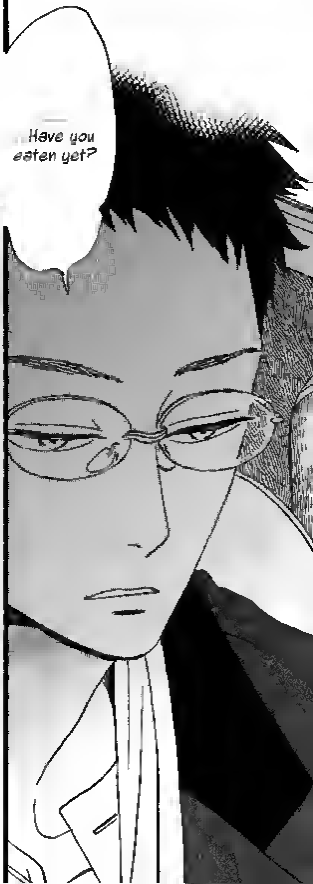
How should I say this?
I've hammered the directions into my head,
so there's no need to worry...
But...
No, not at all...
go for a drive like this on your days off?
Sekine-san, do you often
makes me feel oddly self-conscious

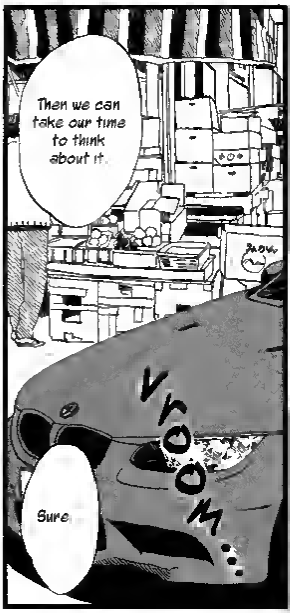
A sense of discomfort?
Objectively...
That's because
the one sitting here should be a curly-haired, tall girl with a hobby like golfing.
Like an amateur model.
Pretty girls belong in this car.
...It's only coming from the passenger's seat.
I feel like running away!!

At least that's what I think
By the way,
that mohair crochet...
Huh?
But I gave up and turned it into a one piece
I see.
Did you do that yourself?
Oh!
Yes.
I was actually making a bedsheet for next year.
.....
.....

Then you're not hungry yet, are you?
I had a late breakfast around 11 o'clock.
What about you?
Even though I specifically told her that I wasn't interested in it,
it's still gentlemenly to talk about what she's wearing and knitting, right?
Me...?

I can't look straight at her... but I think it... suits her.



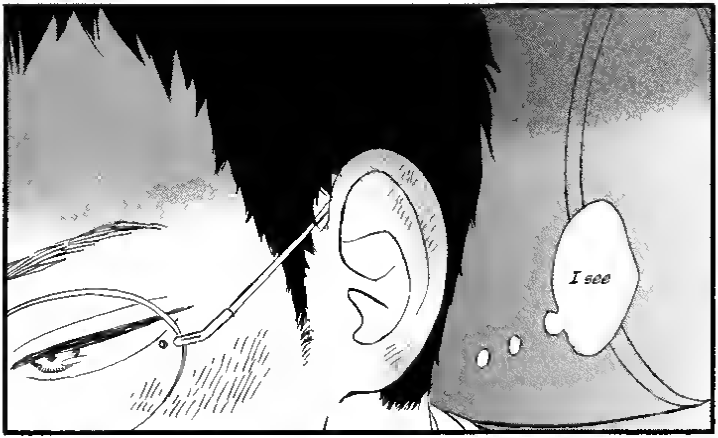


I haven't been able to swallow anything since yesterday.

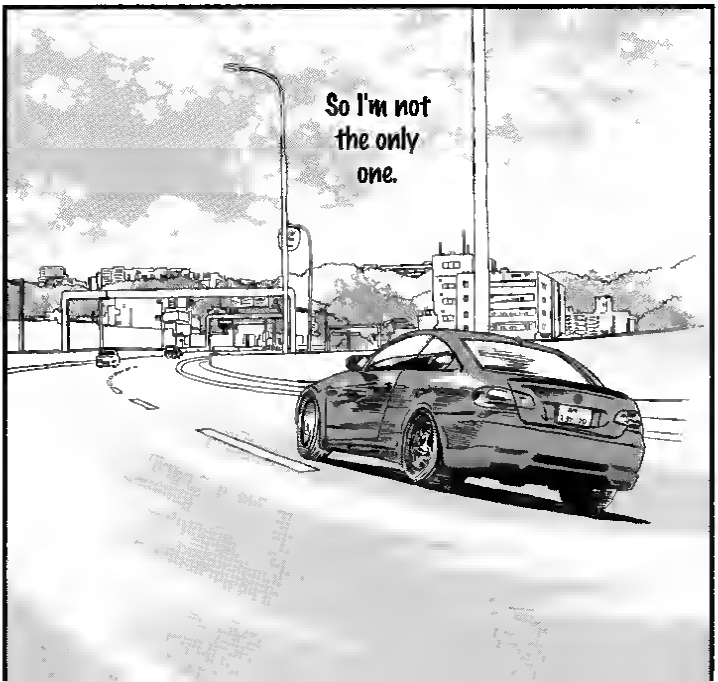
METROPOLITAN HIGHWAY
Route13
B 横浜
Yokohama
Daiba
The sun being so beautiful makes me feel giddy inside.
Some-how

I see...

So she's...
feeling giddy, huh?



I see



So I'm not the only one.

I'm the one loving you.
Tell me.
What are you always thinking?
Always, always, always!
It's always me.
I'm not trying to make you turn around.
No one should expect that luxury.
Always?
That I want to get this over with...
then what do you want?
If no one expects it

That's why...
I've always loved you, Sekine-semp-ai.
It will be the memory of a lifetime.
I just want a single moment with you.
My love affairs tend to always...
...be condescending and boring.
.....

They're like night-mares.
After an endless cycle, I came to my senses.

This is so Fun!
This is Fun!
Wow!
It's sparkling!
Can I crack the windows a bit?
Help yourself!
VRRR

Hehehe!

SHEEP RANCH
500m Ahead
See? The picture has a sheep...
Oh...
There's a ranch here...
WITH SHEEP WOOL EVEN YOU CAN DO IT
What?
We can do spinning wool?!
.....
You don't have to force yourself, okay?
Is spinning wool that thing...?
Would you like to go...?
No, but...
Doesn't sound bad
I think we should do it
You know, when you get that shaggy stuff and make it go round and round?
Maybe...

click
click
click
I want to see...
click
click
click
thump
thump
.....
Whoa!
You know
There's no way he'd ask a model to come to a place like this
